

## ABC

Stepping Stones : Teambuilding & Empowerment

Materials : incl. materials

Type of exercise : oral, written

Duration exercise : 15 min.

### Objectives

The learner can consolidate new vocabulary related to a treated topic.

### Materials

Blackboard

### Preparation

- On the blackboard, write the letters of the alphabet one below the other.
- Read the alphabet together and focus on the correct pronunciation of each letter.

### Instruction

- Sit in a circle.
- Together have the learners complete the alphabet by choosing a letter as the starting letter of a word related to the treated topic.

### Variant

- Add a competitive element by dividing the group into teams. First team to complete to ABC, wins.
- Let the learners make their personal ABC, with their physical features and character traits, profession, home country, language, names of their children, hobbies...

### Closing up

- Ask which starting letters are difficult.
- Tell them which letters in the target language are common and which ones are rare.
